influences from the musical cultures she has immersed herself in. She often blends western classical with celtic/arab folk to come up with a unique sound and style of playing. She teaches western classical violin and most enjoys teaching improvisation and ear training to bring out her students' innate musicality.

Alongside composing string arrangements for short films, she has co-composed scores for theatre productions such as *The Vampire Rabbit* and *A Christmas Carol* in Newcastle. She has played alongside Lucky Ali on MTV in India. She has performed in UK festivals as part of psychedelic live-electronica bands such as *Monkey Puzzle*. She played in 'Corridors' in *Magnetic Fields* and in 'Serpents of Pakhangba' in *Control Alt Dlt* festival in India and has performed her original music on violin and voice throughout the UK in festivals such as *Womad*, *Secret Garden Party* and *Glastonbury*.

Her debut EP was released in January 2023 along with her second co-directed music video.
